SPRING CLEAN UP

The following are the dates for the City of Norman Spring Clean-Up:

April 3 Customers who have Monday polycart service
April 10 Customers who have Tuesday polycart service
April 17 Customers who have Wednesday polycart service
April 24 Customers who have Thursday polycart service
May 1 Customers who have Friday polycart service

The above schedule also applies to rural customers. However, rural customers need to call Sanitation at 329-1023 and schedule an appointment prior to April 3. Items are not to be placed at the curbs earlier than one week before scheduled collection day, if items are placed out more than one week before schedule pick up date this could result in a City of Norman Code violation and may result in a citation. Items must be out by 7:30 a.m. on designated Saturday.

Yardwaste and brush will not be picked up as part of Spring Clean-Up. Yardwaste that meets size requirements may be taken to the Compost Facility. Larger limbs and trunks may be taken to the Transfer Station. Spring Clean-Up will not take remodeling or demolition debris such as broken concrete, bricks, lumber, sheetrock, shingles or junk cars, or any hazardous waste such as tires, batteries, paints, etc.. Polycarts, wagons, wheelbarrows, etc., are not to be used as containers for clean up items.

The Transfer Station at 3901 S. Chautauqua will be open and free on these Saturdays for any Norman sanitation customer, so you may haul your own if you wish. Remember to take a current utility bill when you go, or have a driver's license with a Norman address.
